ORDER**

COMES NOW, the Applicant, SCS Carbon Transport LLC, and who moves the Commission for an Order adopting the attached draft protective order or a version of it for use by the parties during the discovery phase of the docket proceeding.

Should there be discovery disputes of a confidentiality nature during the pendency of the pre-hearing discovery and testimony filing stages, it will be difficult to get them resolved in time to keep the schedule. Therefore, the Applicant offers this draft for the Commission's consideration and possible Order in order to keep the matter on schedule.

Dated this 8th day of November, 2022.
