**NOTICE OF ADOPTION OF
PREFILED TESTIMONY**

HP22-001

Staff of the Public Utilities Commission (Commission) by and through its undersigned counsel hereby files this Notice of Adoption of Prefiled Testimony in order to inform all parties in advance of the evidentiary hearing of a change to one of Staff's witnesses who will be adopting a colleague's prefiled testimony.

At the evidentiary hearing, Staff intends to call Jaclyn McGuire of Department of Agriculture and Natural Resources (DANR) to testify and adopt the prefiled testimony of Trish Kindt, also of DANR. Although Ms. McGuire was originally subpoenaed by Staff to provide testimony in this matter, Ms. Kindt provided prefiled testimony, as Ms. McGuire was predicted to be unavailable. Because circumstances have changed, Ms. McGuire will be available to testify. Staff contacted the other parties in this docket to confirm that no party objected. Staff received no responses objecting to this request.

Dated this 5th day of September 2023.
