Aaron Kappes

(Name of Applicant, this will be the person or entity named as a party)

petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.  
Pursuant to SDCL 49-41B-17 and ARSD 20:10:22:40

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.  
(Example: Landowner in project area).

My wife and I own a small acreage several miles west of Leola. While the proposed pipeline does not cross onto our land, the pumping station and pipeline is set to run just east of our home, within a quarter mile. We have several concerns regarding this, specifically in regards to the safety of said pipeline as well as the potential noise the pumping station brings in.
