

**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF SOUTH DAKOTA**

**In the Matter of the Application by SCS
Carbon Transport, LLC for a Permit to
Construct a Carbon Dioxide Transmission
Pipeline**

**APPLICATION FOR
PARTY STATUS**

HP22-001

Andreessen Family Farms, LLC

(Name of Applicant, this will be the person or entity named as a party)

petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.
Pursuant to SDCL 49-41B-17 and ARSD 20:10:22:40

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.
(Example: Landowner in project area).

Our farm is located in Lincoln County, 2 miles west of Tea on Highway 17. This pipeline is proposed to go diagonally across the farm, next to the Dakota Access pipeline. The 2 pipelines will cross Highway 17 onto our farm. They will take up a great share of our frontage onto Highway 17. It chops up the farm so we would never be able to put a housing development on the land. It will decrease the value of the farm, even decreasing the value for selling it as farmland. There is a house near the proposed pipeline also, causing danger to the family.

NOTE:

Consistent with SDCL 49-41B-17 and ARSD 20:10:22:40, this application must be filed with the Public Utilities Commission on or before 5:00 p.m. CDT, April 8, 2022, unless the deadline is extended by the Commission.
