

**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF SOUTH DAKOTA**

**In the Matter of the Application by SCS
Carbon Transport, LLC for a Permit to
Construct a Carbon Dioxide Transmission
Pipeline**

**APPLICATION FOR
PARTY STATUS**

HP22-001

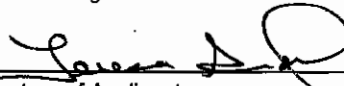

City of Hartford

(Name of Applicant, this will be the person or entity named as a party)

petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.
Pursuant to SDCL 49-41B-17 and ARSD 20:10:22:40

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.
(Example: Landowner in project area).

The SCS pipeline will run along the west edge of the city limits of Hartford, SD. Since the pipeline will border the city limits, the city has concerns with hampering or stopping our infrastructure growth to the west. The city has a high growth rate per capita and we do not want to stifle this growth. Another big concern is the safety of our citizens. We are have a population base of approximately 3,400 people and any leak of rupure may cause a health concern for our citizens. Our goal is to have these questions and concerns addressed through this propose. I ask that the city attorney, Tom Frieberg, with Frieberg, Nelson and Ask but included on all correspondence, along with the City of Hartford.
