JASON FAUTH

(Name of Applicant, this will be the person or entity named as a party)

petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.
Pursuant to SDCL 49-41B-17 and ARSD 20:10:22:40

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.
(Example: Landowner in project area).

We have land and pasture cattle on SE 1/4 of Sec 19 127N 67W and on NW 1/4 of Sec 29 127N 67W both in McPherson Co. SD. We are greatly concerned with the carbon pipeline and effects to our land and cattle if there was a break. We do not support this pipeline. It is only good for the company building it and not our state or its landowners. It should not be allowed to be built!
