Jayne I Fogarty/Blaise V Fogarty

(Name of Applicant, this will be the person or entity named as a party)

petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.  
Pursuant to SDCL 49-41B-17 and ARSD 20:10:22:40

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.  
(Example: Landowner in project area).

We are landowners within just over 2 miles of the now amended CO2 pipeline route. CO2 is a hazardous substance that threatens our lives and our health in the event of a rupture. Such an occurrence would be catastrophic to the people of South Dakota, both in terms of lives lost and property destruction. We are requesting the PUC unequivocally denies the permit for the pipeline. We are aware the deadline for this application has been extended to include this filing date.
