PARTY STATUS**

HP22-001

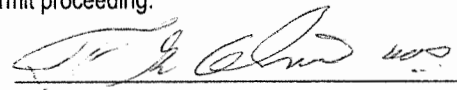

Frank Alvine - Wild Water West

(Name of Applicant, this will be the person or entity named as a party)

petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.
Pursuant to SDCL 49-41B-17 and ARSD 20:10:22:40

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.
(Example: Landowner in project area).

This land is located approximately 1.5 miles from the proposed site of the CO2 pipeline. The land operates a business, Wild Water West with thousands of visitors annually. The proposed location of the pipeline poses potential grave economic and human health risk should there be a disruption / breach in this high pressured CO2 pipeline. The potential damages to human lives, the environment along with economic loss mandates the pipeline not be constructed where it is currently proposed. Wild Water West and others will suffer a direct loss should the permit be granted and pipeline constructed at its current proposed location should a disruption or breach occur.
