**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF SOUTH DAKOTA**

**In the Matter of the Application by SCS
Carbon Transport, LLC for a Permit to
Construct a Carbon Dioxide Transmission
Pipeline**

**APPLICATION FOR
PARTY STATUS**

HP22-001

Casey and Brooke Higgins

(Name of Applicant, this will be the person or entity named as a party)

petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.
Pursuant to SDCL 49-41B-17 and ARSD 20:10:22:40

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.
(Example: Landowner in project area).

We currently live in the City of Leola which will be within miles of the pipeline route. A pipeline rupture would be detrimental to our small community, as our emergency responders only have limited resources and little to no training on an event like this. We also rent pasture land and crop land in Hoffman Township of McPherson County that will also be within 10 miles of the pipeline route. We are concerned for our livestock in this area.
