petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.
(Example: Landowner in project area).

I am a 25% owner of Andreessen Family Farms LLC. A portion of the proposed pipeline Summit Carbon Solutions CO2 has is slated to go across land I have ownership in. I am opposed to the pipeline crossing land I have investment in as it will devalue the property in addition causing disruption to the farming practices and affecting yield for years to come.
