PARTY STATUS**

James Erickson

(Name of Applicant, this will be the person or entity named as a party)

petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.  
Pursuant to SDCL 49-41B-17 and ARSD 20:10:22:40

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.  
(Example: Landowner in project area).

I've lived in the community of Brandon for 23 years and am troubled at the idea of this Carbon Dioxide pipeline being buried anywhere near my home. If an oil pipeline is too dangerous to US citizens, then so is this pipeline. Please respect the landowners of our state and the residents of SD by denying this permit.
