Johnson Organic Farm (Name of Organization (if applicable))

April 4, 2022 Date

I'm seeking party status because our land is close to the proposed project area. As a Certified Organic Farm in Lake County since 1975 we are very cautious of any intrusion that would affect the organic certification, the liability and safety of our family and neighbors.

Definitely opposed to South Dakota P.U.C. Granting Summit Carbon Solutions a permit!

The Greed far exceeds The Need

NOTE: Consistent with SDCL 49-41B-17 and ARSD 20:10:22:40, this application must be filed with the Public Utilities Commission on or before 5:00 p.m. CDT, April 8, 2022, unless the deadline is extended by the Commission.
