(Name of Applicant, this will be the person or entity named as a party)

petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.
Pursuant to SDCL 49-41B-17 and ARSD 20:10:22:40

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.
(Example: Landowner in project area).

*We have land and pasture cattle
on SE 1/4 of Sec 19 127N 67W and
on NW 1/4 of Sec 29 127N 67W both
in McPherson Co. SD. We are greatly
concerned with the carbon pipeline
and effects to our land and
cattle if there was a break.
We do not support this pipeline.
It is only good for the company
building it and not our state
or its landowners. It should
not be allowed to be built!*
