**APPLICATION FOR
PARTY STATUS**

HP22-001

South Dakota Telecommunications Association

(Name of Applicant, this will be the person or entity named as a party)

petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.
Pursuant to SDCL 49-41B-17 and ARSD 20:10:22:40

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.
(Example: Landowner in project area).

Based upon the maps available in the PUC docket, SCS Carbon Transport LLC will pass through at least six SDTA member company service areas. As a result, it is resonable to believe SDTA member company telecommunications and broadband facilites will be directly impacated by the proposed pipeline. SDTA seeks party status to monitor and participate in docket proceedings, if necessary, to protect the interests of its member companies.
