Pursuant to SDCL 49-41B-17 and ARSD 20:10:22:40

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.
(Example: Landowner in project area).

*My Farm is located Less than
5 miles from this pipeline.*

*As McPherson County Commissioner
I am opposed to this pipeline
because of public opposition
from constituents in My district-
District I, property value
devaluation, causing loss to
county taxpayers and McPherson
County revenue. Also the passive attitude of
SCS Carbon Transport, LLC on the safety of proposed
Pipeline is a major area of concern.*

NOTE: Consistent with SDCL 49-41B-17 and ARSD 20:10:22:40, this application must be filed with the Public Utilities Commission on or before 5:00 p.m. CDT, April 8, 2022, unless the deadline is extended by the Commission.
