*This pipeline is not a good thing for us.  
It creates a danger, devalues our land.  
We are also opposed to the use of eminent  
domain. This should not be allowed. We  
will be forced to something we do not want.  
We expect you to protect our rights. They can't  
ever say nothing will happen. If the pipeline  
leaks or breaks animals and people will die.  
We don't want or support this pipeline  
coming on our land - any land in S.D.  
Please do not allow!  
We are in McPherson County*
