Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.
(Example: Landowner in project area).

My husband and I own a small acreage several miles west of Leola. While the proposed pipeline does not cross onto our land, the pumping station and pipeline is set to run just east of our home, within a quarter mile. We have several concerns regarding this, specifically in regards to the safety of said pipeline as well as the potential noise the pumping station brings in.

NOTE:

Consistent with SDCL 49-41B-17 and ARSD 20:10:22:40, this application must be filed with the Public Utilities Commission on or before 5:00 p.m. CDT, April 8, 2022, unless the deadline is extended by the Commission.
