**MOTION TO AMEND FILING FEE

HP22-001**

Staff of the Public Utilities Commission (Commission) by and through its undersigned counsel hereby files this Motion to Amend Filing Fee.

On February 24, 2022, the Commission issued an Order Assessing Filing Fee; Order Authorizing Executive Director to Enter Into Consulting Contracts (Order). The filing fee in the Order was calculated based upon the total cost of the proposed Project in South Dakota using the cost estimate provided in the Application filed on February 7, 2022. SCS Carbon Transport LLC (Applicant) updated the total cost to \$1,019,250,000 in response to Staff Data Request 7-3.¹ Based upon this material increase in total cost, Staff had recalculated the maximum filing fee in this docket. Staff reached out to Applicant, and it is Staff's understanding that Applicant does not object. Therefore, Staff respectfully requests the Commission issue an order amending the maximum filing fee to not exceed \$709,625.

Dated this 8th day of September 2023.
