

BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF SOUTH DAKOTA

IN THE MATTER OF THE APPLICATION
BY SCS CARBON TRANSPORT, LLC
FOR A PERMIT TO CONSTRUCT A
CARBON DIOXIDE PIPELINE

HP22-001

**MOTION TO EXTEND DEADLINE TO
JUNE 15, 2023, FOR A SCHEDULING
ORDER AND FOR PRE-FILED
TESTIMONY**

COMES NOW, the Applicant, by and through its attorney, and moves for an order pursuant to SDCL 49-41B-24.1, to extend the deadline for a Commission decision to June 15, 2023, setting a schedule for the proceedings and also requiring pre-filed written testimony be filed pursuant to the schedule.

In support of its Motion, the Applicant states as follows:

The current project timeline presently accommodates a hearing and decision later than that found in statute. Applicant and parties would benefit from additional time to consider and act upon the information gained from stakeholders so far in the process. No party appears prejudiced by scheduling and extending deadlines as proposed below. Good Friday is April 7 and Easter is April 9, for reference.

Applicant proposes the following schedule, conditioned upon the hearing being scheduled after the main run of the 2023 Legislative Session:

Applicant files updated application, supporting testimony, and route: October 13, 2022

Deadline for Intervenor Direct Testimony: January 5, 2023

Deadline for Staff Direct Testimony: January 12, 2023

Deadline for Applicant Rebuttal: January 26, 2023

Deadline for Intervenor/Staff Surrebuttal: February 9, 2023

Discovery Deadline: February 23, 2023

Hearing Dates: March 28-April 5, 2023, in Pierre

Post hearing Briefs filed: April 27, 2023

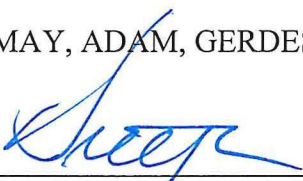

Commission Decision: Tuesday May 16, 2023

Order with Conditions issued June 15, 2023

Applicant further moves the Commission for an order requiring pre-filed written testimony of witnesses, filed in accord with this proposed schedule.

Dated this 9 day of May, 2022.

MAY, ADAM, GERDES & THOMPSON LLP
