

BEFORE THE PUBLIC UTILITIES COMMISSION  
OF THE STATE OF SOUTH DAKOTA

IN THE MATTER OF THE APPLICATION BY SCS CARBON TRANSPORT LLC FOR A PERMIT TO CONSTRUCT A CARBON DIOXIDE TRANSMISSION PIPELINE	HP22-001  MOTION FOR TIME CERTAIN TO PRESENT EVIDENCE
--	--

WEB Water Development Association, Inc.’s involvement in this matter is limited solely to the issue of establishing the specifications of Summit Carbon Solutions, LLC’s crossings of WEB’s PVC and ductile iron waterlines. Because of WEB’s limited involvement in this matter, WEB hereby moves for a time certain to be set for the parties to present evidence concerning the issue as to how WEB’s waterlines will be crossed.

This Motion is made on the grounds it would be costly and burdensome for WEB to have a presence at the entire hearing since its involvement in this matter is extremely limited.

Dated this 6th day of September 2023.
