SOUTH DAKOTA PUBLIC  
UTILITIES COMMISSION

Public Utilities Commission  
Capital Building, 1<sup>st</sup> floor  
500 E. Capitol Ave.  
Pierre, SD 57501-5070

Chairperson Fiegen and other Commissioners:

I ask that with your vote, you do not allow private companies like Navigator and Summit Carbon Solution power to use Eminent domain in South Dakota.

The Navigator Pipeline and Summit Carbon Solutions are private entities, not public entities. Private property should not be seized for private gain. Eminent domain should always be a last resort and used ONLY for public benefit.

Thank you.
