Subject: CO2 Pipelines - members of your board

As you start your hearing tomorrow, we here in Iowa start our 4th week. I understand a motion has been filed to deny Summit a pipeline permit. Just know North Dakota - Illinois - Minnesota and Iowa are firmly behind you!

Please stand tall - united and firm to get this monster stopped before it is too late. We farmers do not want this pipeline - in any state. Our land is not for sale at any price. Future generations will thank us all. There are better solutions NOW.
