RE: LONGSBURY
COUNTY

~~DEAR PERSONS,~~

CERTAINLY IN CONSIDERATION OF THE LAND
A PERSON MUST CONSIDER THAT IT IS A
SACRED GIFT OF GOD AND THE MATERIAL
WE ARE CREATED OF; SO IN FACT DESERVING
OUR RESPECT AND CARE. ^{RAISED ON THE LAND}
WE LOVE IT. HONORING THOSE BEFORE US WHO COULDED

I AM AGAINST THE PIPELINE PROPOSAL
AND PARTICULARLY THE TOXICITY OF THE
MATERIAL PROPOSED TO BE TRANSFERRED.

SOONER OR LATER = PIPELINES FAIL. IN
THIS CIRCUMSTANCE IT WOULD POSE A
LETHAL THREAT TO ALL LIFE "EVERYTHING
THAT BREATHES". GRASS, TREES, PLANTS, ANIMALS,
BIRDS, PEOPLE. (SEE IOWA EXPERIENCE).

I HAVE AN ANIMAL SANCTUARY IN MY
CREEK AREA A PRAYER WALK AREA
WHERE I INFORM PERSONS OF THE BENEFITS
OF THE NATURAL WORLD GOD GAVE TO US
AND TO ENJOY CLEAN AIR.

NOT ONLY DOES IT POSE A THREAT TO
LIFE BUT ^{attempts to} COMPROMISE THE WHOLE MESSAGE.
IN FACT WE WOULD DO BETTER TO KEEP ALL
POISONS - PESTICIDES - OFF OF THE LAND.

SO A RESOUNDING NO NOT ON MY PROPERTY
IN SOUTH DAKOTA WHERE "UNDER GOD THE PEOPLE RULE."
IN HAND WITH JESUS CHRIST. (MATTHEW 23: 10-12)
