Subject: [EXT] Carbon Solutions Pipeline

Dear Sirs,

Hi, I am currently negotiating with Summit Carbon Solutions on 1 3/4 miles of pipeline located in both North Dakota and South Dakota. I am fully in favor of this pipeline and feel Summit is doing whatever is necessary to address my concerns. Right now we are trying to come up with adequate compensation, but I am fully in agreement with this project continuing as it will provide income for landowners and jobs for construction workers. Thank you. Tim Rott, [REDACTED], Ashley, ND. Cell number [REDACTED] Docket number HP22-001
