Dear Commissioners Kunz, Beilke, Feickert, Metzger, and Neuharth,

Thank you for your letter of Jan. 11, 2022 to the commission relaying your concerns about the Summit Carbon Solutions CO₂ Pipeline.

The commission has not received a siting permit application for this pipeline project. As such, staff will keep your letter to post under Comments and Responses in such a docket – should the commission receive Summit Carbon's application, resulting in the opening of a docket.

Enclosed you will find information posted on the PUC's website that may be helpful: an Information Guide to Siting Pipelines and Ex Parte Communications Guidelines.

Sincerely,

Patricia Van Gerpen
Executive Director
