RE: HP22-001, *In re SCS Carbon Transport, LLC*

Ms. Van Gerpen,

Attached for filing, please find Staff's Amended Exhibit A. This filing updates the Exhibit A filed on April 12, with Staff's Response to Applications for Party Status. By copy of this correspondence, this Amended Exhibit is being served upon SCS Carbon Transport, LLC (the Company), as well as all applications for Party Status for whom Staff has an email address.

The changes are reflected at the bottom of Column 1, which reflects party status applicants whom Staff now has sufficient information to recommend approval. After filing our original Exhibit A, some applicants contacted Staff to provide additional information or point out errors. We also compared our Exhibit to Exhibit C filed by the Company, and found that there were several that the company had listed as landowners that we had not. Next, Staff went back through all of the applications to make sure we did not miss any that had provided addresses within ten miles of the route and made several corrections. Finally, Staff double checked to see if any of the ones needing more information may have inadvertently filed it as a comment but found none there. Staff did request from Mr. Jorde an address list of his clients, but because we did not receive that information, we were unable to confirm a number of them.

Therefore, Staff's Amended Exhibit A now reflects all applicants for party status who own property within a half-mile of the route or who Staff determined reside within ten miles of the route based upon information available to Staff as of 8:00 a.m., April 14, 2022.

Sincerely,

Kristen N. Edwards
Staff Attorney
