**Q: Please state your name and purpose for providing testimony in these proceedings.**

A: My name is Nancy Dugan. The purpose of my testimony is to provide the PUC information helpful when considering who exactly is the PUC being asked to approve in terms of SCS Carbon Transport LLC. You don't know who they are but through my investigative research I have uncovered a significant amount of helpful information for the PUC to consider. I hope you find this all as shocking, or perhaps predictable, as I did.
