**RE: HP22-002, *In re Application of Navigator Heartland Greenway, LLC***

Ms. Van Gerpen,

This letter is to inform of Staff's position on the applications for party status received in Docket HP22-002. A complete listing of all applications received to date is attached hereto. Staff has read and considered each of the applications and has no objection to party status being granted to all those who have filed.

Although the deadline for filing applications for party status was November 28, the list includes party status applications that were received up to the time of the filing of this letter. Because the intervening holiday made it more difficult for people to reach staff with filing questions, we are not objecting to those and have included them in our attached table. The attached list does not include the two applicants which have already been granted party status.

Best regards,

Kristen N. Edwards
