(Name of applicant. This will be the person or entity named as a party.)

the above-referenced facility permit proceeding, pursuant to SDCL 49-41B-17 and ARSD 20:10:22:40.

Place a check mark next to each item below that applies to you, adding a mileage number for items requiring this. Explain your further interest below. If your submitted form is incomplete, you risk not being granted party status.

- I am a person or organization that received official notification via U.S. mail of the project from the siting permit applicant. *(not sure it was official notice as we didn't sign for this.)*
- I own land within 1/2 miles of the proposed project. *We are not sure where the exact route is.*
- I reside within _____ miles of the proposed project.

I officially represent a municipal, city, township, county, or other affected governmental agency within _____ miles of the proposed project.

I am directly interested in the proposed project as I explain below:

We received notice in the mail signed for by a representative from the U.S. postal service.

We received mail for "Dale + Carl Lems." This is erroneous as we are not Dale + Carl Lems. We are not sure where the route exactly is.

My mother, Evelyn Pederson, owns her home where she resides, and we are not sure if she is within a certain distance of this pipeline or not, as we don't know the exact placement of the route.
