Re: Request for Party Status, Docket No. HP22-002

Dear Commissioners:

Enclosed please find the signed revised application for party status in the above-referenced docket item (HP22-002). An application with a January 11, 2023 signature date was electronically earlier today. Subsequently, I recognized a draft application had been submitted in error. A revised application has been electronically submitted with a signature page dated January 12, 2023.

As noted in the comments, the farm property at 29615 Spur Ave., Hudson SD 57106, located across from the POET Hudson facility, is jointly owned by we three siblings (John R. Smith, Victoria L. Strawn, and Lesley J. Pedde). Although this application is submitted after the November 28, 2022 deadline, because we did not receive notice until January 5, 2023, we are requesting party status. If party status is granted, I (Lesley J. Pedde) will be the contact person for the family.

Thank you for your consideration in this matter.

Sincerely,

Lesley J. Pedde
