To: PUC Docket Filings

Subject: [EXT] Party Status for Navigator CO2 Pipeline

To whom it may concern;

I would like to withdraw my party status as an intervenor in the Navigator Heartland Greenway CO2 pipeline hearings; docket HP22-002. I had originally wanted to intervene in the case but have decided to follow the case and offer comments rather than actively participate in all of the legal filings and formal hearings. Please confirm the receipt of this email.

Thank you.
