Subject: [EXT] Your Action and Vote on the Carbon Capture Pipelines

Commissioners,

As a former resident of Rapid City and now living in Pennsylvania, I applaud your negative vote on the carbon capture pipelines.

As a John Birch Society Chapter Leader the PA members are fighting the pipeline proposals here and pray the State Senators vote NO on PA SB 831. We will be sending the article from The New American magazine to our elected officials.

Keep Leading the Way,

Phil Smith
