OF THE STATE OF SOUTH DAKOTA

IN THE MATTER OF THE APPLICATION BY  
SCS CARBON TRANSPORT LLC FOR A

2. I own personally or am an authorized member or authorized officer or owner of a company or corporation, or a Trustee of a Trust that owns land in South Dakota targeted by SCS Carbon Transport, LLC (hereinafter "Summit") and upon which Summit seeks to locate a proposed carbon dioxide sequestration pipeline according to its Application on file with the PUC at Docket HP 24-001. If a company or corporation or trust own any portion of the land(s) described below, the name of that entity of which I am authorized to make this Declaration is:

3. The directly affected South Dakota land(s) in question in HP 24-001 is located at:

County Name: Section #: Township #: Range #:

4. I previously executed a Declaration in this matter. At the time I made that Declaration I did not remember that over three years ago apparently Summit had me sign an Easement Agreement affecting the above described land, based on Summit's April 17, 2025, filing. I wish I had not signed that Easement, and don't remember doing so. If Summit paid me for that easement I am willing to return that payment plus 100% of that payment in exchange for rescinding any Easement they may hold on my land so long as Summit

agrees to this on or before 1:30 p.m. on April 22, 2025. To the extent Summit needs or desires either any future survey or an easement agreement of any kind across, on, under, or through the land(s) described above for any purpose, no survey of any kind and no easement agreement of any kind will be granted to Summit by me.

5. It is your undersigned declarant's belief that Summit has failed to file an application in this docket in the form and content required by applicable laws or rules.
6. I declare under penalty of perjury, pursuant to *28 USC § 1746*, under the laws of the United States of America, and under the law of South Dakota, that the foregoing Declaration is true and correct.

Signed on April 18 2025.
