Obituary: Leonard Robert Snay

1945-2025

Leonard Robert Snay, 79, of Canistota, formerly of Ree Heights, peacefully passed away on January 10, 2025, at Avera Women's Hospital. Leonard was born in Arbor, MI, on July 10, 1945, to Leonard and Ethel (Kline) Snay. After completing grade school and high school in Arbor, MI, he enlisted in the U.S. Army and served in Vietnam as a pilot. He was discharged from the Army in May of 1971.

Leonard always liked to be busy doing something, whether he was keeping up on yardwork, tinkering on cars, or working with wood. Watching his grandchildren grow up brought him great pride and joy, even more so when his grandson, Kaden, followed in his footsteps and enlisted in the U.S. Army.

Leon leaves behind his wife of 46 years, Linda; three daughters, Natisha (Bill) Lanteri, Paula (Pete) Thingelstad, and Penny Snay; twelve grandchildren, Kaitlynn, Kassandra (Casper), Kaden (Keira), Kolton, Kanon, Kendalynn, Chase, Chandler, Jonathan, Joslynn, Brandon, and Madison; two great-grandchildren, Jackson and Baylor; his sisters, Karen (Leon) Gilbee, Starlet (Earl) Gilbee, Martha Snay, and Patricia Milliken; in-laws, Cindy Bowar, Larry (Shirdene) Moser, Eugene, Lawrence (Shannon), and Barbie (Perkins) Weyand; and numerous nieces, nephews, and cousins.

Leon was preceded in death by his parents, LeRoy and Ethel; his brother, Rock; his brother-in-law, William; his in-laws, Fudder and Norma Moser; and many aunts and uncles.

Thank you for your thoughts, prayers, and condolences for Leonard's family and friends during this difficult time. In lieu of flowers, the family requests cards to be sent to 702 West Ash Street, Canistota, SD 57012.

Landowner input wanted for conservation programs

The Dakota Grasslands Conservation Program (SDGI) is seeking input from South Dakota landowners and producers.

The goal is to hear from up to 50 individuals in confidential, one-on-one, virtual interviews. In particular, SDGI is looking to hear from producers or non-operating landowners who don't currently use conservation programs.

Interviews will be scheduled in January and run in January and February.

Learn more and put your name on the list for interview selection at <https://bit.ly/SDGIForm>

Leonard was put through a series of games and stunts having competitive sides. At 12 o'clock the guests were seated at one long table for a delicious supper.

Mrs. Morris Paine entertained twenty-four little girls Tuesday, Jan. 6 in honor of her daughter Mary's sixth birthday. The little girls were entertained with music and games and served a dainty lunch, which contained just the things little girls that age like.

A baby girl was born to Mr. and Mrs. Milton Hickcox, on Wednesday, Jan. 14. All concerned are getting along fine.

Wm. Frank is taking a month's vacation and left Saturday evening for Florida where he will visit Mrs. Frank and enjoy a rest.

January 18, 1935

Our team goes to Stephan tonight, where we confidently expect them to win a battle. It won't be an Indian war fare, we hope, but just a clean, well fought-for victory. The lineup is as follows, as given by Coach Davis: James Paine and Richard Meehan, guards; Herbert Meehan, center; Joe Lingscheit and Dwight Specker, forwards; additional four men are Oliver Nicholas, Ervin Frey, John Menning and Lee Speirs.

The Campfire Girls have announced that Mildred Speirs and Orilla Paine were appointed to raise the flag this week. Mildred Speirs and Elizabeth Rath were appointed to pass the collection plates at church this week.

Leland Steele drove to New Underwood and brought Eleanor Wareing home, Wednesday with the mumps.

The L.M. Sanders and Jack Lackey families are under quarantine for Scarlet Fever. Several cases of measles have also been reported.

Rev. Arthur Green of Hetland will candidate at both churches next Sunday. Dr. Keck writes that Mr. Green has served our churches in this state about 15 years and does a good substantial piece of work.

January 12, 1945

Mr. and Mrs. Carl Speirs received word Saturday that Floyd Hague, nephew of Mrs. Speirs and son of Mr. and Mrs. Alton Hague of Highmore, was killed December 6 at Leyet in the Phillipines. Hague, a paratrooper, was 21 years old and had been in the service and overseas a last May.

NOTICE OF PUBLIC MEETINGS SOUTH DAKOTA PUBLIC UTILITIES COMMISSION

WHAT: Notice of Public Meetings regarding Permit to Construct a Carbon Dioxide Transmission Pipeline in the counties of Beadle, Brookings, Brown, Clark, Codington, Davison, Edmunds, Grant, Hamlin, Hand, Hyde, Kingsbury, Lake, Lincoln, McCook, McPherson, Minnehaha, Miner, Sanborn, Spink, Sully, Turner, and Union.

WHEN AND WHERE:

MITCHELL: Wednesday, January 15, 2025, at 10:00 a.m., CT
Mitchell High School Performing Arts Center,
821 N. Capital St., Mitchell, South Dakota.

SIOUX FALLS: Wednesday, January 15, 2025, at 5:00 p.m., CT
HUB Auditorium, Southeast Technical College,
2001 N. Career Ave., Sioux Falls, South Dakota.

DE SMET: Thursday, January 16, 2025, at 11:30 a.m., CT
De Smet Event Center Theater, 705 Wilder Lane, De Smet, South Dakota.

WATERTOWN: Thursday, January 16, 2025, at 6:00 p.m., CT
Kampeska Hall, Ramkota Hotel & Watertown Event Center,
1901 Ninth Ave. SW, Watertown, South Dakota.

ABERDEEN: Friday, January 17, 2025, at 10:30 a.m., CT
Dakota Room, The Dakota Event Center, 720 Lamont St., Aberdeen, South Dakota.

REDFIELD: Friday, January 17, 2025, at 6:00 p.m., CT
Redfield School Auditorium, 111 E. Sixth Ave., Redfield, South Dakota.

Pursuant to SDCL Chapter 49-41B, the South Dakota Public Utilities Commission (Commission) will hold public input meetings at the above times and places on an application filed by SCS Carbon Transport LLC (Applicant) to construct a carbon dioxide (CO2) transmission pipeline (Project). The Project, which has been named the Midwest Carbon Express pipeline, is approximately 2,500 miles of pipelines for the transportation of CO2 from ethanol plants across 5 states, including 15 in South Dakota, to sequestration sites in North Dakota. The main line of the proposed route enters South Dakota in Lincoln County at the Iowa/South Dakota border and extends in a northwesterly direction, exiting the state at the South Dakota/North Dakota border in McPherson County. Major components and associated facilities planned in South Dakota are expected to include pump stations, main line valves, launcher-receiver sites, and approximately 16 total miles of temporary and permanent access roads as part of the Project. In addition to the main line and other components, the proposed Project includes lateral and trunk lines connecting ethanol plants throughout the eastern part of South Dakota to the main line. The total proposed length of pipelines through South Dakota is approximately 698 miles and will cross the counties of Beadle, Brookings, Brown, Clark, Codington, Davison, Edmunds, Grant, Hamlin, Hand, Hyde, Kingsbury, Lake, Lincoln, McCook, McPherson, Minnehaha, Miner, Sanborn, Spink, Sully, Turner, and Union. Applicant estimates the total cost of the proposed Project in South Dakota to be \$1,351,563,747.

The purpose of the public input meetings will be to hear public comments regarding the permit Application and the Project. At the meetings, Applicant will present a brief description of the Project, after which interested persons may appear and present their views, comments, and questions regarding the Application. A copy of the Application is on file with the auditor in each of the above listed counties pursuant to SDCL 49-41B and at the Commission's office in Pierre. The Application and all other documents in the docket, including detailed maps of the Project, may be accessed on the Commission's website at puc.sd.gov under Commission Actions, Commission Dockets, 2024 Hydrocarbon and Carbon Dioxide Pipeline Dockets, HP24-001.

Pursuant to SDCL 49-41B-17, the parties to this proceeding are currently the Applicant and the Commission Staff. Each municipality, county, and governmental agency in the area where the facility is proposed to be sited; or any person residing in the area where the facility is proposed to be sited; or any directly interested person, may be granted party status in this proceeding by making timely written application to the Commission. Applications for party status will be available at the public input meetings or may be obtained from the Commission's website. Applications for party status must be received by the Commission on or before 5:00 p.m., CT, January 24, 2025. The Commission will also accept comments in writing from anyone, either by mail, personal delivery, or e-mail until the time of the final decision. You only need to apply for party status if you want to participate formally in the case by putting on testimony or other factual evidence, conducting discovery, cross-examining witnesses, making legal arguments, and to preserve your right to appeal to the courts if you do not believe the Commission's decision is legally correct. You do not need to have party status in order to submit written comments.

Following the public input meetings, the Commission may schedule a formal evidentiary hearing conforming to SDCL Chapter 1-26 to consider issues raised by any party or the Commission itself. At such a formal hearing, all parties will have the opportunity to appear, present evidence, and cross-examine the other parties' witnesses, and exercise all other rights afforded by SDCL Chapters 1-26, 49-1, and 49-41B and ARSD Chapters 20:10:01 and 20:10:22, including rights of appeal to the courts.

For approval, the Applicant must show that the proposed Project will comply with all applicable laws and rules, will not pose a threat of serious injury to the environment nor to the social and economic condition of inhabitants or expected inhabitants in the siting area, will not substantially impair the health, safety or welfare of the inhabitants, and will not unduly interfere with the orderly development of the region with due consideration having been given to the views of governing bodies of affected local units of government. Based upon these factors, the Commission will decide whether the permit to construct should be granted, denied, or granted upon such terms, conditions, or modifications of the construction, operation, or maintenance as the Commission finds appropriate.

Pursuant to SDCL 49-41B-28, a permit from the Commission for the construction of a transmission facility may supersede or preempt any county or municipal land use, zoning, or building rules, regulations, or ordinances upon a finding by the Commission that such rules, or regulation, or ordinances, as applied to the proposed route, are unreasonably restrictive in view of existing technology, factors of cost, or economics, or needs of parties where located in or out of the county or municipality. Without such a finding by the Commission, no route shall be designated which violates local land-use zoning, or building rules, or regulations, or ordinances.

Pursuant to the Americans with Disabilities Act, these meetings will be held in physically accessible locations. Please contact the Public Utilities Commission at (605) 773-3201 at least 48 hours prior to the meeting if you have special needs so arrangements can be made to accommodate you.

The Commission's contact information is: Ph (605) 773-3201; puc.sd.gov; puc@state.sd.us; 500 E. Capitol Ave., Pierre, SD 57501.

Published three times by the South Dakota PUC at a total approximate cost of \$1,080.00.
