In the Matter of the Application by SCS Carbon Transport LLC for a Permit to Construct a Carbon Dioxide Transmission Pipeline)

APPLICATION FOR PARTY STATUS

HP24-001

Andrew Zoss

Andrew Zoss, petitions the Public Utilities Commission to be granted party status in this proceeding. (Name of Applicant. This will be the person or entity named as a party.)

Place a check mark next to each item below that applies to you, adding a mileage number where requested.

I am a person or organization that received official notification of the project via U.S. mail from the siting permit applicant.

X I reside within 2 miles of the proposed project.

Residential address if different from your mailing address:

X I own land within 2 miles of the proposed project.

Legal description:

I officially represent a municipal, city, township, county or other affected governmental agency within miles of the proposed project.

Explain your interest in applying for party status below.

I have multiple concerns about this pipeline. 1. The safety of my family and my neighbors. 2. The devaluing of land and destroying of property. 3. Insurance costs and being insurable if the pipeline gets put in. 4. The training and cost to get the equipment for our first responders. Our volunteer responders are spread out and most don't live or work in town making responding to emergency calls quickly difficult at times.

Deadline: This application must be filed with the Public Utilities Commission on or before 5:00 p.m. CT, Jan. 24, 2025. File this completed form electronically at puc.sd.gov/EFilingOptions.aspx

This section is to be completed by the person requesting party status. All fields are required.
