Legal description: Lake County

Sec/Twp/Rng ORLAND TWP SW 1/4 EXC BONNEMA TRACT #2950 N1/2 & NW 1/4 #3001

I officially represent a municipal, city, township, county or other affected governmental agency within miles of the proposed project.

Explain your interest in applying for party status below.

As a Lake Co taxpayer I have issues with the lack of transparency about this project & how Summit has treated myself & our Community. Because of Summit's actions I do not believe Summit is fit to be awarded a route across our state or my property & the PUC should deny their application. The fact that Summit is ignoring & disrespecting the counties that rightfully exercised their rights to pass ordinances for the good of the community & the welfare of the citizens by asking the PUC for preemption is outrageous. I seriously doubt that Summit will comply with all applicable rules & laws. I believe Summit poses a serious risk to the environment, to the social condition of people in the proposed siting area as well as a serious economic threat to them. I also believe Summit's hazardous pipeline would substantially impair the health, safety, & welfare of the resident families in the proposed siting area.

Deadline: This application must be filed with the Public Utilities Commission on or before 5:00 p.m. CT, Jan. 24, 2025. File this completed form electronically at puc.sd.gov/EFilingOptions.aspx
