APPLICATION FOR PARTY STATUS

HP24-001

Cassie Bothern _____, petitions the Public Utilities Commission to be granted party status in this proceeding.

(Name of Applicant. This will be the person or entity named as a party.)

Place a check mark next to each item below that applies to you, adding a mileage number where requested.

I am a person or organization that received official notification of the project via U.S. mail from the siting permit applicant.

I reside within 0.14 miles of the proposed project.

Residential address if different from your mailing address:

I own land within 0.009 miles of the proposed project.

Legal description: Lot 1 of Trower's Addition in the East Half of the Northwest quarter

(E 1/2 NW 1/4) of Section Thirty-six (36), Township One Hundred Eight (108) North, Range Fifty-one (51) West of the 5th P.M. in Lake County, South Dakota, according to the record plat thereof

I officially represent a municipal, city, township, county or other affected governmental agency within _____ miles of the proposed project.

Explain your interest in applying for party status below.

The current proposed pipeline map shows the pipeline running just outside our property line. This would put the pipeline 720 feet from the front door to our home. This is a HUGE safety concern for our family. Also, our livestock buildings are within 400 feet with surrounding pasture land running within 50 feet of the route. This is also very concerning for the safety of the animals and our livelihood we depend on for income to support our family. If they are required to be within a half mile of a hog facility, I think our livestock deserves the same consideration and I would hope human life would come above all.

Deadline: This application must be filed with the Public Utilities Commission on or before 5:00 p.m. CT, Jan. 24, 2025. File this completed form electronically at puc.sd.gov/EFilingOptions.aspx
