Place a check mark next to each item below that applies to you, adding a mileage number where requested.

I am a person or organization that received official notification of the project via U.S. mail from the siting permit applicant.

X I reside within 1 miles of the proposed project.

Residential address if different from your mailing address:

X I own land within 1 miles of the proposed project.

Legal description Lot seven (7), block one (1) in Lake Park Second Addition in the east half of the NE quarter and government lot 7 in section twenty-eight (28) Township one hundred nine (109) west of the 5th P.M., Brookings County, SD

I officially represent a municipal, city, township, county or other affected governmental agency within miles of the proposed project.

Explain your interest in applying for party status below.

Concerns related to draining water from aquifers to cool the pipeline will create environmental damage. The pipeline is going right around Lake Campbell which is substantially populated around the lake and is a highly popular recreational area for camping, boating, swimming, and fishing. A pipeline break in the area will pose a serious threat of injury to inhabitants. Lowering of property values due to pipeline risks. Emergency personnel's inability to respond in a timely manner and the stalling of vehicles in their response. Personnel's risk to their own health in responding.
