APPLICATION FOR PARTY STATUS

HP24-001

City of Hartford

_____, petitions the Public Utilities Commission to be granted party status in this proceeding.
(Name of Applicant. This will be the person or entity named as a party.)

Place a check mark next to each item below that applies to you, adding a mileage number where requested.

_____ I am a person or organization that received official notification of the project via U.S. mail from the siting permit applicant.

_____ I reside within _____ miles of the proposed project.

Residential address if different from your mailing address:

_____ I own land within _____ miles of the proposed project.

Legal description: _____

I officially represent a municipal, city, township, county or other affected governmental agency within 1 miles of the proposed project.

Explain your interest in applying for party status below.

The SCS pipeline will run just to the west of Hartford city limits. Due to this close proximity, the city has concerns with hampering/stopping our growth to the west. Hartford has a high growth rate per capita and we do not want to stifle this growth. Another big concern is for the safety of our citizens - any leak or rupture may cause health risks. I ask that the city attorney, Tom Frieberg, with Frieberg, Nelson and Ask be included on all correspondence.

Deadline: This application must be filed with the Public Utilities Commission on or before 5:00 p.m. CT, Jan. 24, 2025. File this completed form electronically at puc.sd.gov/EFilingOptions.aspx
