APPLICATION FOR PARTY STATUS

HP24-001

Daryl Rippentrop, petitions the Public Utilities Commission to be granted party status in this proceeding.
(Name of Applicant. This will be the person or entity named as a party.)

Place a check mark next to each item below that applies to you, adding a mileage number where requested.

I am a person or organization that received official notification of the project via U.S. mail from the siting permit applicant.

I reside within 19 miles of the proposed project.

Residential address if different from your mailing address:

I own land within 0 miles of the proposed project.

Legal description: Lake County
Sec/Twp/Rng W 1/2 5 / 105N / 51

 I officially represent a municipal, city, township, county or other affected governmental agency within miles of the proposed project.

Explain your interest in applying for party status below.

I am an affected landowner via the above Trust. I am concerned about the taking of our land against our will for the benefit of a private company for private gain. It will have no value to us and will leave us without insurance coverage for a leak - which is bound to happen somewhere along the line.
I am also concerned with the fact that we will no longer be able to utilize the land as we wish. We will be limited by these easements forced upon us. Land values will be affected in a negative way with this project. The use of SD land should remain a decision of SD landowners.
You must deny this request.

Deadline: This application must be filed with the Public Utilities Commission on or before 5:00 p.m. CT, Jan. 24, 2025. File this completed form electronically at puc.sd.gov/EFilingOptions.aspx
