APPLICATION FOR PARTY STATUS

HP24-001

Joyce J. Grenz

petitions the Public Utilities Commission to be granted party status in this proceeding.
(Name of Applicant. This will be the person or entity named as a party.)

Place a check mark next to each item below that applies to you, adding a mileage number where requested.

 I am a person or organization that received official notification of the project via U.S. mail from the siting permit applicant.

 X I reside within 2 miles of the proposed project.

Residential address if different from your mailing address:

 X I own land within Less than 1/8 mile miles of the proposed project.

Legal description: McPherson & Brown County

Sec/Twp/Rng Sec 16 T126N R68W SW 1/4

 I officially represent a municipal, city, township, county or other affected governmental agency within miles of the proposed project.

Explain your interest in applying for party status below.

My family owns land in McPherson County within 1/8 mile of the proposed pipeline route. I live 2 miles from the POET Energy plant near Groton. I am concerned for our town of Groton - that this proposed pipeline may take our energy and may cause brownouts causing damage to electrical equipment. I'm concerned about the amount of water this will use, as well. I believe Summit will substantially impair health, safety and welfare of people in the proposed siting area, as well as posing a threat of serious injury to the environment, people and animals. The people of South Dakota spoke when they voted on RL-21 - no carbon pipeline in our state. Thanks.
