This form is **only** for persons who wish to be an active party in this docket. You do NOT need to be a party to submit comments.

In the Matter of the Application by SCS Carbon )  
Transport LLC for a Permit to Construct a Carbon )  
Dioxide Transmission Pipeline )

APPLICATION FOR PARTY STATUS

HP24-001

Jerome G. Hoffman, petitions the Public Utilities Commission to be granted party status in this proceeding.  
(Name of Applicant. This will be the person or entity named as a party.)

Place a check mark next to each item below that applies to you, adding a mileage number where requested.

       I am a person or organization that received official notification of the project via U.S. mail from the siting permit applicant.

       I reside within        miles of the proposed project.

Residential address if different from your mailing address:  
      

I own land within   2   miles of the proposed project.

Legal description:   McPherson   County

Sec/Twp/Rng   SEC 16-T126N-R68W: S1/2NW1/4  

       I officially represent a municipal, city, township, county or other affected governmental agency within        miles of the proposed project.

Explain your interest in applying for party status below.

As a landowner and taxpayer of McPherson County, South Dakota whose land is directly affected by Summits proposed CO2 pipeline, I have observed that Summit has demonstrated a lack of concern and disrespect for the communities and counties across the state of South Dakota who have exercised their rights to pass ordinances for the benefit of the citizens of those communities by requesting from the PUC a preemption of those community and county ordinances. Therefore, I believe that Summit will not comply with all applicable rules and laws that currently exist or will be set in place in the future.

Deadline: This application must be filed with the Public Utilities Commission on or before 5:00 p.m. CT, Jan. 24, 2025. File this completed form electronically at [puc.sd.gov/EFilingOptions.aspx](http://puc.sd.gov/EFilingOptions.aspx)
