In the Matter of the Application by SCS Carbon Transport LLC for a Permit to Construct a Carbon Dioxide Transmission Pipeline

APPLICATION FOR PARTY STATUS

HP24-001

Senator-elect Joy Hohn

petitions the Public Utilities Commission to be granted party status in this proceeding.

(Name of Applicant. This will be the person or entity named as a party.)

Place a check mark next to each item below that applies to you, adding a mileage number where requested.

I am a person or organization that received official notification of the project via U.S. mail from the siting permit applicant.

X I reside within 1/4 miles of the proposed project.

Residential address if different from your mailing address:

X I own land within .01 miles of the proposed project.

Legal description: Minnehaha County E1/2 of Section 5-101-51

I officially represent a municipal, city, township, county or other affected governmental agency within miles of the proposed project.

Explain your interest in applying for party status below.

Summit's pipeline is proposed within 50 feet of my land and approximately 1300 feet of my home. I firmly believe that Summit will not and cannot comply with the 4 factors required for a PUC permit. They disrespect our county ordinances by requesting preemption. I am very concerned about the amount of water and power that would be needed for this project and who would get priority - the ethanol plants, Summit or South Dakota citizens? Their application should be denied!

Deadline: This application must be filed with the Public Utilities Commission on or before 5:00 p.m. CT, Jan. 24, 2025. File this completed form electronically at puc.sd.gov/EFilingOptions.aspx
