jarawden@live.com

Applicant's Email Address or if represented, Applicant's Attorney's Email Address

As a landowner & resident I am very concerned of the safety of this pipeline because of it carrying such hazardous material if it is exposed I don't feel that the general public or any first responders are trained or aware of what to expect from an explosion due to a potential leak. One life taken due to the possibility of an explosion is one too many.

Headline: This application must be filed with the Public Utilities Commission.
