My elderly parents, Sam and Linda Schauer, are still on the original routes currently posted on the PUC docket under Appendix II. I am involved in their farming operation and an heir. Because of my father's failing health, I've had to step in and help my mother navigate all this. It has been very stressful for my parents. They've had to hire a lawyer and pay monthly legal fees. Very time consuming, meeting after meeting. We do not want this on our land. My parents were served survey and eminent domain lawsuit papers by Summit.
