In the Matter of the Application by SCS Carbon Transport LLC for a Permit to Construct a Carbon Dioxide Transmission Pipeline

APPLICATION FOR PARTY STATUS

HP24-001

Kathy A. Carter

petitions the Public Utilities Commission to be granted party status in this proceeding.

Place a check mark next to each item below that applies to you, adding a mileage number where requested.

X I am a person or organization that received official notification of the project via U.S. mail from the siting permit applicant.

I reside within miles of the proposed project.

Residential address if different from your mailing address:

I own land within miles of the proposed project.

Legal description: My property would be crossed by the pipeline.

I officially represent a municipal, city, township, county or other affected governmental agency within miles of the proposed project.

Explain your interest in applying for party status below.

§ 1-26-17.1 holds that a person whose pecuniary interest would be directly and immediately affected by an agency's order may become party to a hearing. As an Iowa landowner, the PUC's order in this matter will affect the future of my land and my finances as SCS's right to construct the proposed pipeline in Iowa is dependent upon obtaining a permit from the PUC. I would be burdened by a direct economic harm should the proposed hazardous pipeline be approved by the PUC and thus allowed to begin construction on my land as my CRP contract would be voided. Plans to build a home would also be nixed due to the new risk and liability created by Summit. These pecuniary interests are both reasonably pertinent to the proceedings and unable to be adequately represented by another party.

Deadline: This application must be filed with the Public Utilities Commission on or before 5:00 p.m. CT, Jan. 24, 2025. File this completed form electronically at puc.sd.gov/EFilingOptions.aspx
