In the Matter of the Application by SCS Carbon )  
Transport LLC for a Permit to Construct a Carbon )  
Dioxide Transmission Pipeline )

## APPLICATION FOR PARTY STATUS

HP24-001

Kevin Hofer, petitions the Public Utilities Commission to be granted party status in this proceeding.  
(Name of Applicant. This will be the person or entity named as a party.)

Place a check mark next to each item below that applies to you, adding a mileage number where requested.

I am a person or organization that received official notification of the project via U.S. mail from the siting permit applicant.

I reside within .5 miles of the proposed project.

Residential address if different from your mailing address:

801 S Main St Onida SD 57564

I own land within 0 miles of the proposed project.

Legal description: Sully County  
Sec/Twp/Rng 33 34 and 36 115 75

       I officially represent a municipal, city, township, county or other affected governmental agency within        miles of the proposed project.

Explain your interest in applying for party status below.

I am interested in this project because of its proximity to my family's residences, local school and lack of transparency regarding community awareness in the event of pipeline rupture.

I am interested in this project because it is sited to cross several large waterways on our farm where historical soil erosion has occurred during spring runoff and rain events. I am concerned that my sons and nephews will have to farm over this pipeline for the rest of their lives.

Deadline: This application must be filed with the Public Utilities Commission on or before 5:00 p.m. CT, Jan. 24, 2025. File this completed form electronically at [puc.sd.gov/EFilingOptions.aspx](http://puc.sd.gov/EFilingOptions.aspx)
