## APPLICATION FOR PARTY STATUS

HP24-001

Katherine Russo, petitions the Public Utilities Commission to be granted party status in this proceeding.  
(Name of Applicant. This will be the person or entity named as a party.)

Place a check mark next to each item below that applies to you, adding a mileage number where requested.

       I am a person or organization that received official notification of the project via U.S. mail from the siting permit applicant.

  X   I reside within   1/4   miles of the proposed project.

Residential address if different from your mailing address:

\_\_\_\_\_

  X   I own land within   1/4   miles of the proposed project.

Legal description:       Codington       County

  Sec/Twp/Rng  17 117 N    
                  51W      

       I officially represent a municipal, city, township, county or other affected governmental agency within        miles of the proposed project.

Explain your interest in applying for party status below.

I own a home and run a business 1/4 a mile from the proposed route. The pipeline threatens our tree nursery business with crop loss if rupture were to occur. I also worry about the safety for our family and our livestock. I am concerned about Summit's lack of transparency and the burden that would be placed on our township, emergency services, and the taxpayers. I also worry about their proposed water usage as our home is on a well and our business irrigates using a water right.
