In the Matter of the Application by SCS Carbon Transport LLC for a Permit to Construct a Carbon Dioxide Transmission Pipeline

APPLICATION FOR PARTY STATUS HP24-001

LARRY BECK, petitions the Public Utilities Commission to be granted party status in this proceeding.

Place a check mark next to each item below that applies to you, adding a mileage number where requested.

X I am a person or organization that received official notification of the project via U.S. mail from the siting permit applicant.

X I reside within 1 miles of the proposed project.

Residential address if different from your mailing address:

20835 Sd Highway 25, De Smet, SD

X I own land within 0 miles of the proposed project.

Legal description: Miner County Sec/Twp/Rng 18-107-56

I officially represent a municipal, city, township, county or other affected governmental agency within miles of the proposed project.

Explain your interest in applying for party status below.

As a resident, landowner and taxpayer of Miner county, I am worried that the risks of the project far outweigh any so-called benefits. I should not be forced to do business with a company of questionable character that can claim investors that have defrauded the US government, faced criminal charges for violating the Migratory Bird Treaty Act, and are based in countries with unknown intentions, among other alarming concerns.

Deadline: This application must be filed with the Public Utilities Commission on or before 5:00 p.m. CT, Jan. 24, 2025. File this completed form electronically at puc.sd.gov/EFilingOptions.aspx
