In the Matter of the Application by SCS Carbon Transport LLC for a Permit to Construct a Carbon Dioxide Transmission Pipeline

APPLICATION FOR PARTY STATUS HP24-001

Linda Brown Rippentrop, petitions the Public Utilities Commission to be granted party status in this proceeding.

Place a check mark next to each item below that applies to you, adding a mileage number where requested.

X I am a person or organization that received official notification of the project via U.S. mail from the siting permit applicant.

X I reside within 19 miles of the proposed project.

Residential address if different from your mailing address:

X I own land within 0 miles of the proposed project.

Legal description: Lake County Sec/Twp/Rng W 1/2 5/105N/51

I officially represent a municipal, city, township, county or other affected governmental agency within miles of the proposed project.

Explain your interest in applying for party status below.

I am an affected landowner and am very concerned with the manner in which the applicant has handled this project - both in their lack of transparency and in their lack of respect for the citizens and for the county ordinances that responsible counties have put in place.

In Lake County, instead of directing the pipeline away from populated areas, the applicant is proposing to run the pipeline directly toward and through the populated Lakes Area (comprised of Lake Madison and Brandt, Round and Long Lakes).

Please keep South Dakota land in the hands of South Dakota landowners. Please deny this application.

Deadline: This application must be filed with the Public Utilities Commission on or before 5:00 p.m. CT, Jan. 24, 2025. File this completed form electronically at puc.sd.gov/EFilingOptions.aspx
